# Lover

Drew  
looks at me, I fake  
a smile so he won't see That  
I want and I'm needing every-  
thing that we should be I'll  
bet she's beautiful, that girl  
he talks about And she's  
got everything  
that I have  
live  
Drew talks to me, I laugh 'cause it's  
But I can't even see anyone when he's with  
in love, he's finally got it right I wonder if he  
about at night He's the reason for the teardrops  
thing that keeps me wishing on a wishing star He's  
keep singing, don't know why I do Drew walks  
that I can't breathe? And there he goes,  
of flawless I wish I could be She'd  
give him all her love Look in those  
know she's lucky 'cause He's the reason  
on my guitar The only thing that keeps me  
ing star He's the song in the car I keep singing,  
So I drive home alone, as I turn out the light I'll  
and maybe get some sleep tonight 'Cause he's the  
drops on my guitar The only one who's got enough  
heart He's the song in the car I keep singing, don't know  
time taken up, but there's never enough And he's all that I need to fall into Drew  
looks at me, I fake a smile so he won't see Drew looks at me, I fake a smile so he  
won't see That I want and I'm needing everything that we should be I'll bet  
she's beautiful, that girl he talks about And she's got everything that I have  
to live without Drew talks to me, I laugh 'cause it's just so funny But I  
can't even see anyone when he's with me He says he's so in love, he's  
finally got it right I wonder if he knows he's all I think about  
at night He's the reason for the teardrops on my guitar  
The only thing that keeps me wishing on a wishing  
star He's the song in the car I keep singing,  
don't know why I do Drew walks  
by me, can he tell  
to  
without  
just so funny  
me He says he's so  
knows he's all I think  
on my guitar The only  
the song in the car I  
by me, can he tell  
so perfectly The kind  
better hold him tight,  
beautiful eyes and  
for the teardrops  
wishing on a wish-  
don't know why I do  
put his picture down  
reason for the tear-  
of me to break my  
why I do He's the  
I need to fall into Drew
